Chairwoman

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
House of Representatives
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for a project that will allow the city of Norcross Police Department to purchase a Biometric Fingerprinting Scanner. The entity to receive funding for this project is the Norcross Police Department, located at 65 Lawrenceville St NW, Norcross, GA 30071. The funding would be used for a scanner that would enable police officers to quickly and accurately identify suspects, prevent false arrests and wrongful convictions, and provide valuable evidence for criminal investigations. The technology would enhance the efficiency of the police department, allowing officers to focus on other important tasks, such as preventing and solving crimes. The project is an appropriate use of taxpayer funds because implementation of this technology would enhance the ability of police departments to quickly and accurately identify suspects, prevent false arrests and wrongful convictions, and improve overall efficiency.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and safe Street Act of 1968 (34 U.S.C 10381(b)(8)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lucy McBath
